

Overview participation PRISMA-partners in external events
<https://www.rri-prisma.eu/>

(last update: July 2019)

PRISMA partners have both organized and participated in a total of 55 events, in the form of conference presentation or workshops within larger thematic conferences, in order to increase visibility and facilitate the attendance of as wide a group of stakeholders as possible. See the next table:

#	Event at	Place	Date	Title
TU Delft				
1	RRI tools conference	Brussels, Belgium	21-22 November 2016	Piloting Responsible R&I in industry
2	RRI day at Oxford University	Oxford, UK	28 March 2017	What is the role of RRI in industry how to manage responsibility in R&D
3	Responsible Research and Innovation in the Health Industry	Brussels, Belgium	18-19 May 2017	RRI in industry: the PRISMA project
4	Ethicomp conference 2017	Turin, Italy	06 June 2017	Piloting RRI in industry: A roadmap for transformative technologie
5	RRI-SIS 2017 conference	Rome, Italy	26 September 2017	RRI impact monitoring
6	Responsible Innovation Summit 2017	Dublin, Ireland	10 October 2017	An example of responsible innovation in industry: use of internet of things for better cleaning in hospitals
7	Athena Institute, VU Amsterdam	Amsterdam, Netherlands	22ndSeptember 2017	Interaction design for Responsible Innovation
8	Annual S.NET Meeting 2018,	Maastricht, Netherlands	25-27 June 2018	PRISMA general presentation
9	ESOF 2018 on COMPASS project session	Toulouse, France	12 July 2018	Engaging line of business leaders into RRI
10	multi-stakeholder dialogue event of SMART-Map project	Milan, Italy	21 June 2018	Responsible Citizen Innovation
11	LIV_IN project workshop on Responsible Innovation	Vienna, Austria	February 2019	RRI monitoring
12	World Economic Forum	Geneva, Switzerland	May 2019	Responsible Innovation (RI) support for SMEs in 4th IR Tech
13	Booking.com innovation event	Amsterdam, Netherlands	June 29 2018	
14	Science Diplomacy Summer School	Vienna, Austria	Summer 2019	N/A
15	ESOF	Toulouse, France	13 July 2018	Organisation of “Responsible research and innovation in transformative technologies” session
16	Ethicomp conference 2018	Sopot, Poland	September 2018	Monitoring and Assessing the Strategic Value of Responsible Innovation
RIVM				
17	Synenergene	Brussels, Belgium	24/25 April 2017	N/A

#	Event at	Place	Date	Title
18	Synbio/SbD project	Netherlands	20 October 2017	N/A
19	SbD project	Netherlands	12 september 2017	N/A
20	US Navy/Patrick Rose	Netherlands	30 October 2017	N/A
21	Pagit project	UK	2 March 2017	N/A
22	RVO	Netherlands	2018	PRISMA Poster (in part devoted to PRISMA)
KIT				
23	PORTAL 2017 "Criar Riqueza - Portugal na Alemanha",	Berlin, Germany	03.-04. November 2017	Inovação na medicina do ponto de vista das ciências sociais
24	S.NET Conference 2018 "Anticipatory Technologies: Data and Disorientation"	Maastricht, Netherlands,	25.-27, June 2018	Piloting RRI in industry: A roadmap for transformative technologies. Project overview".
25	S.NET Conference 2018 "Anticipatory Technologies: Data and Disorientation"	Maastricht, Netherlands,	25.-27, June 2018	Engaging with stakeholders - Feedback from the co-creation PRISMA events
26	S.NET Conference 2018 "Anticipatory Technologies: Data and Disorientation"	Maastricht, Netherlands,	25.-27, June 2018	Obstacles to RRI in synthetic biology
27	Presentation at the Workshop "Critical engagement vs. technophobia: The risks of emerging technologies",	Ljubljana, Slovenia	11-12, October 2018	Going beyond the usual: practices of innovation and responsibility in industry
28	Moscow State Technical University Student's visit at KIT	Karlsruhe, Germany	22 Jan 2019	Responsible Research and Innovation in Industry
29	"RRI and Future-Making: Responsibility through Anticipation" - Interdisciplinary International Graduate Summer School University of the Basque Country UPV/EHU Donostia	San Sebastian, Spain,	10-14 September, 2018	Piloting RRI in industry: A roadmap for transformative technologies. Project overview
30	"RRI and Future-Making: Responsibility through Anticipation" - Interdisciplinary International Graduate Summer School University of the Basque Country UPV/EHU Donostia	San Sebastian, Spain,	10-14 September, 2018	RRI and the Challenge of Responsible Governanc
31	Organization of the Stakeholder Dialogue "The Future of Technology: Putting Responsible Innovation into Practice"	Greater Birmingham and West Midlands Brussels Office, Brussels, Belgium	13 April 2017	N/A
32	Organization and moderation of the Stakeholder Dialogue "Setting the agenda of RRI in Industry – focusing on nano and synthetic biology technologies"	Helmholtz Association Office, Berlin, Germany.	20-21 November 2017	N/A

#	Event at	Place	Date	Title
33	Organization and moderation of the Stakeholder Dialogue “Envisioning the future of transformative technologies - Case studies on automated vehicles and Internet of Things”	Greater Birmingham and West Midlands Brussels Office, Brussels, Belgium	07 February 2018	N/A
34	Organization of the Stakeholder Dialogue “A roadmap to foster social value in business, research and innovation strategies – Co-Creation Dialogue”	Italian National Standard Body (UNI), Milan, Italy	30-31 October 2018	N/A
35	Organization of the final PRISMA project conference “Innovation meets Sustainability & Responsibility: The PRISMA Industrial Roadmap”	Fondation Universitaire, in Brussels, Belgium	27th June 2019	(Note: originally not planned in the DoW)
AIRI				
36	Euronanoforum	Bucharest, Romania	12-14, June 2019	Poster: A road-mapping process to improve innovation governance of nanotechnologies: practical experiences in Nanotech companies)
37	Poster presentation at the SAM Conference	Pisa, Italy	20-21, May 2019	Responsible Research and Innovation: analysing costs and benefits of RRI implementation in industrial context
38	Compass Conference, Innovation Re-launched on course to responsible business practices	Brussels, Belgium	March 26 th , 2019	Poster on the PRISMA project and roadmap - https://innovation-compass.eu/final-conference/
39	HUBIT workshop	Brussels, Belgium	26th June 2019	Experiences in developing RRI strategies in companies
40	NanoInnovation 2019 Conference	Rome, Italy	11-14, June 2019	Poster on the PRISMA project displayed at the booth of the PRISMA project
41	ROSIE Interreg project	Milan, Italy	9, October 2018	The PRISMA project: How to manage the innovation process?
42	NanoInnovation Conference	Rome, Italy	Sep13, 2018	Prisma dissemination workshop: Responsible Innovation in Nanotech applications for healthcare and wellbeing
43	SETAC Conference	Rome, Italy	17th May 2018	RRI and the Prisma Project Piloting Responsible Research And Innovation In Industry
44	Smart-Map Conference	Rome, Italy	23rd April 2018	Overview of the Prisma project
45	Organization of workshop: Advanced cellular therapies and nanomedicine: ethical and social implications of the NanoMed project	At Colorobbia consulting , Florence,	11th April 2018	N/A

#	Event at	Place	Date	Title
		Italy		
46	Organization of workshop: Nanotechnologies, communication and product certification: case studies in the cosmetics and medical devices sectors, the NanoCube experience	At Laboratori Archa, Pisa, Italy	13th, June 2018	N/A
47	Organization of session in cooperation with the PRISMA project at the NanoInnovation 2018 Conference	Rome, Italy	13th September 2018	Responsible Research and Innovation and nanotechnologies for healthcare and wellbeing
48	Organization of workshop: Innovation meets sustainability & responsibility: The PRISMA industrial roadmap	Brussels, Belgium	27th June 2019	(note: additional dissemination activity, originally not planned in the DoW)
49	Organization of workshop: A roadmap to Foster Social Value in Business, Research and Innovation Strategies, Co-Creation Dialogue	Milan, Italy	30-31 October 2018	N/A
UWAR				
50	International Digital Laboratory	Warwick. UK	20th April 2017	Responsible Research Innovation and the H2020 PRISMA project
51	IoT SF Conference 2017	IET Savoy Place London, UK	5th December 2017	Ethics and the Internet of Things at the Internet of Things
52	European Information Security Summit TEISS 2017	London, UK	21st Feb 2018	Responsible Research Innovation and the H2020 PRISMA project
53	British Academy FOTC Research Conference	London, UK		Businesses without Borders
54	ATI panel on Data Ethics	London, UK		Towards smarter research ethics in data science
55	Warwick Integrative Synthetic Biology group on responsible innovation	Warwick. UK	April and June 2019	Responsible Research Innovation and the H2020 PRISMA project
